OFFICIAL NEWSLETTER OF THE CALUMET FLYERS

An AMA Gold Level Leader Club
Brillion, Wisconsin

Kelly Sweetman/Editor

GPS Field Location: N 44° 10' 08.0" W 088° 09' 20.6"

Presidents Corner

I hope everyone's summer is going great. I haven't been out to the field much during the week, but maybe next week I'll get a couple of days.

I had a lot of fun flying down at the water a few weeks ago. It was a pretty good turnout, and the weather was excellent!!

The next event coming up will be Randy's informal, novice IMAC event. Come on out and put a little purpose into your flying. It's basically just maneuvers you would normally do, just turned into a routine.

Two weeks ago, several of us got together at the EAA Museum and got a tour from one of our club members who works there, Phil Voight. Bob, Pete, Randy John, Mike and myself. One of the things we toured was the Nose Art exhibit. Four of us also went up in a 1929 Travelair Biplane. It was an excellent ride and we all enjoyed it. We ended our day at Cranky Pat's pizza in Neenah.

At the end of August we have Eric's Fun-Fly. (formerly the Big Bird) coming up. I'm sure he'll be looking for help Thank you in advance.

Keep your wings level,

Scott D Cordy ☺

MEETING NOTICE

The next meeting of the Calumet Flyers will be held at the Flying Field on Monday the 8th day of August, 2016 at 7:00 pm.

Event Calendar

Club Officers:

President:	Scott Cordy	242-9432
Vice-President:	Mike Gauerke	993-0156
Secretary:	Mike Gigl	337-4824
Treasurer:	John Bittner	733-0937
Multimedia:	Eric Schultz	901-6837

www.calumetflyers.com

Helpful hands for flying assistance.

Fred Scholz	769-0576
Kelly Sweetman	901-2088
Maynard Krueger / Flight Sim.	766-2609

Please call to make an appointment

Meeting Notes

Minutes from the July 11, 2016 Meeting.

Meeting was called to order at 7:00. 13 members were in attendance.

Minutes from the June meeting were read and approved.

The treasurer's report for June was given and approved. June expenses were utilities, and field maintenance expenses. July bills are utilities, field maintenance expenses and Youth Outreach Center donation. Motion passed to pay the bills.

OLD BUSINESS

There are 64 members in the club as of this meeting.

NEW BUSINESS

The Father's Day Fun Fly event and the Float Fly event both had 21 pilots registered. We enjoyed fine weather and fine flying.

Help is still needed for the kitchen at the August fun fly event. Please volunteer if you are able.

The club is planning a new event on the 14th of August. It is called the Calumet Aerobatic Clash and is intended to introduce members to aerobatic flying. It is a beginning event and any plane that has aileron control should be able to do the maneuvers. It will begin at 10:00. Details on the specific maneuvers can be found at the field and at www.mini-iac.com.

Meeting adjourned at 7:18 pm.

Respectfully submitted,

Michael Gigl
Secretary

Eric is looking for help with the food service for our event in August. If you are available for even part of the day, please contact him. 901-6837

Calumet Aerobatic Clash Notes:

- Scheduled for Sunday, August 14th,
- This is an informal, unsanctioned event, for fun only.
- 5-7 pilots have already confirmed.
- Will use IMAC Basic sequence (or something similar)
- Spotters/Callers/Coach will be available for each pilot
- Basic sequence sheets are available at field. (Arresti and notes.)
- Event will start at 10:00am. Each pilot will fly at least twice, hopefully three times (time and weather permitting), two sequences each flight.
- Judging will be a simplified version, probably 1-10, or maybe 1-5.
- Any plane with a rudder should be able to fly the sequence.
- NOTE: These are the un-official plans and changes will probably happen to help drive interest, simplicity, understanding, etc.

Please confirm attendance or ask question of:

Randy Brunette, cell: 920-377-6008 email: randybrunette@gmail.com

More information about performing and judging the maneuvers will be available at the field or online at

www.mini-iac.com.

Special Rule for Model Aircraft Remains Federal Law

We are happy to announce big news related to FAA authorization. As of today, both the Senate and House of Representatives have passed a 14-month FAA extension, and the President has signed the bill into law.

We are very pleased that the FAA extension affirms our right to continue to fly within AMA's community-based safety program and free from additional government regulations. Congress continues to recognize the importance of AMA and our strong commitment to safety.

As you know, AMA aggressively engaged with Congress to achieve the best possible result for our members. It is through these advocacy efforts that we were able to achieve our goal of maintaining the Special Rule for Model Aircraft and protecting our hobby. This victory adds to AMA's history of successfully advocating for our members at the federal level, including with the Federal Communications Commission (FCC), the Department of Commerce, the Environmental Protection Agency (EPA), the Department of the Interior, the U.S. Forrest Service, the Department of Homeland Security, the FAA and Congress.

There are two important things for all AMA members to know about the extension. The first, and most important for our hobby, is that the extension preserves the Special Rule for Model Aircraft (Section 336 of the 2012 FAA Modernization and Reform Act) through September 2017. And second, while this bill does not nullify FAA's requirement to register, we are pleased to share that the problematic language that existed in earlier FAA bills has been removed.

Our advocacy efforts are not over – we continue to work with the FAA on reducing the burden of the registration requirement on AMA members. And, over the next 14 months, we will continue to work with Congress on a long-term reauthorization bill that will further strengthen the Special Rule for Model Aircraft and advance other protections of our longstanding hobby.

We want to extend our appreciation to all of our members for your support throughout this process.
