Presidents Corner

Happy New Year everyone,

I hope that everyone had a merry Christmas. It's too cold to do anything outside, so I've been in the basement working on my hellcat. I have posted some pictures on Facebook of the progress and hope to have it flying this year.

Don't forget about the indoor flying. I hope to see you there. Dates and times are in the newsletter.

It was brought to my attention that the gate was left open. If you go out to the field, make sure you lock everything up when you leave again.

That's all,

Mike Gauerke ☺
