Presidents Corner

Hello everyone,

As we head into the Fourth of July weekend, I hope everyone has safe travels.

We have just gotten past the Fathers day Fly-In and it was a pretty good turnout!! The weather was a little warm, but that is expected this time of year. There has been so much humidity in the air lately it's been causing stormy problems. Little rainstorms seem to pop up out of nowhere.

Our water fly is coming up in the next two weeks, and I hope everyone is there supporting AI and the rest of the guys. We will be hoping for light breezes to cool us off down by the water.

This last week we had a transformer blow out by the field, and through a few communications, we had Randy take all the frozen food to his house because he had room in his freezer. I have not been told whether the power has been turned on yet or not.

The next event after the water fly will be the event formerly known as our Big Bird. It is now an open event to all size aircraft, so hopefully as many people as possible will participate and give Eric a hand in running the event.

Have a great fourth!!

Scott D. Cordy

Meeting Notes

Minutes from the June 13, 2016 Meeting.

Meeting was called to order at 7:00. 12 members were in attendance.

Minutes from the May meeting were read and approved.

The treasurer's report for May was given and approved. May expenses were utilities, AMA sanction fees for auction and Father's Day fun fly, auction hall rental, newsletter supplies, and field maintenance expenses. June bills are utilities, and field maintenance expenses. Motion passed to pay the bills.

OLD BUSINESS

There are 62 members in the club as of this meeting.

The weather has prevented any assessment of the repair needs for the clubhouse.

NEW BUSINESS

Help is still needed in the kitchen for the Father's Day event and for the August fun fly event.

Meeting adjourned at 7:26 pm.

Respectfully submitted,

Michael Gigl
Secretary

Our Fathers Day event went very well. We had 24 registered pilots, sunny skies, warm temps and a nice breeze to keep us all comfortable. Thank you Kenny, Joe, Al, and everyone else who helped in the food service and other areas. You are the ones who make this all work so well. Thank you. ☺

Eric is looking for help with the food service for our event in August. If you are available for even part of the day, please contact him. 901-6873.
