I'm going to start out with a reminder that the next meeting will be held at the flying field. So, if you go to the Outreach Center, you're in the wrong place!! We will probably hold the meetings at the field through September, weather permitting.

A few of us made the trip to Freeport, IL. for their fly-in, but we did very little flying. The weather just did not want to cooperate with us. I would just like to thank everyone for coming down there because it was a remembrance of a very good friend of ours.

The food is available in the shelter for the summer, and a lot of people have already been taking advantage of that.

Remember the Fathers Day event is coming up fast and Kelly will be looking for help in the kitchen and food service. Memorial weekend is upon us, and it looks like scattered rain everyday but Monday, so we'll have to play it by ear on how much flying we'll get done. I'm hoping to Maiden my Edge 540 on Friday before the big rush of flying starts. Randy Brunette maiden his Edge 540 last weekend. I guess helping him was the jump-start I needed to finish mine. Lol

If you're traveling this weekend stay safe, and if you're going to the flying field, I'll see you there.

Scott D. Cordy
