Presidents Corner

I hope everyone enjoyed the little taste of Spring last week. I heard a few were flying electrics and even putting the convertible tops down.

A lot of sickness is still going around. I have a cough I can't get rid of.

We started discussing how we can add new members. Any ideas? Bring your ideas up at a meeting please.

Today, Randy and I are heading to Shawano for their swap and auction. I have a few months to make a little room. I have two planes out there for sale. A 50cc Ultimate and a Midwest 50cc Extra. (Kelly's old Patty Wagstaff) I'll be taking them to Appleton next week.

Spring will be here soon enough, so start cleaning up your winter projects and get ready for a great summer.

Calumet Flyers President,

Scott D. Cordy

Meeting Notes

Minutes from the February 13, 2017 Meeting.

Meeting was called to order at 7:00. 12 members were in attendance. Minutes from the January meeting were read and approved.

The treasurer's report for January was given and approved. January expenses were utilities, money for banquet gifts, and the Outer Limits Outreach Center quarterly donation. There are no bills for February.

OLD BUSINESS

The annual chili dump was held on Feb 4th. Attendance was down slightly from last year, but all had a good time.

The banquet was held on Sunday the 12th. It was attended by 46 people. The extra time for discussion before the dinner was appreciated by all.

NEW BUSINESS

Before we renew our charter for this year, we will be checking on the availability of the float fly site. We do not want to renew the insurance if we are not able to use the site.

The tentative date for the August fun fly is the 26th with a rain date of the 27th.

A discussion was held on getting more younger members into the club. Any ideas that you have would be appreciated. More discussion will be had at future club meetings.

Meeting adjourned at 7:34 pm.

Respectfully submitted,

Michael Gigl
Secretary

I mailed the application in for our Fathers Day event in June. It should be in the AMA magazine next month. I'll be looking for help in running the food service. If you are available to help in any way, please contact me. (920) 726-4374.

Thank you,

Kelly
