We're getting to the time of year when everybody is chomping at the bit and getting ready to fly. I took a ride past the flying field today and it looked in very good shape. Most of it looks like it has been mowed already. There are the ropes out there to keep you out of the wet spots, so be careful out there and you'll be fine.

I was told there was a little mischief going on out there, and was told Fred Scholz picked up over 75 golf balls. I sure hope it's none of the Calumet Flyers doing that. Also, someone has been throwing garbage in the ditch, and I believe the DNR has been in touch with us on that matter.

A little bit on safety. Make sure to tie your airplane down securely before starting. It only takes a minute and it will save you a trip to the Emergency Room.

Stay safe and keep your wings level,

Scott D. Cordy

Calumet Flyers President

Meeting Notes

Minutes from the April 11, 2016 Meeting.

Meeting was called to order at 7:00. 18 members were in attendance.

Minutes from the March meeting were read and approved.

The treasurer's report for March was given and approved. March expenses were utilities, sanction fee for August event, and incorporation annual fee. April bills are Outer Limits Youth Center quarterly donation, field maintenance, utilities, office supplies, and AMA sanction for the water fly. Motion passed to pay the bills.

OLD BUSINESS

There are 56 paid members as of the meeting.

NEW BUSINESS

The boat trailer for the water fly needs to have the axle repaired.

The water fly site will be open on Tuesdays starting in May or so, depending on the weather.

There was some discussion on repairing the roof for the clubhouse, but this will require warmer weather and more access to the clubhouse before it proceeds.

Meeting adjourned at 7:17 pm.

Respectfully submitted,

Michael Gigl
Secretary
