## Presidents Corner

We should be out flying in the next couple of weeks. The wind has been keeping the field drying nicely! It's still pretty soft as Mikey found out. It cost him a prop on a landing. When the field opens up, just be careful not to tear up the parking area.

Al and I made the trip to Toledo a few weeks ago. I thought attendance was down substantially. Not a lot of giant scale vendors, which I am mostly interested in. There were a lot Quad-Copter booths and accessories. They even had a large area setup for racing drones. The swap upstairs was dwindling as well.

This week, I'll be working on batteries and getting my trailer ready to roll. Last week I finished the truck and Sunday morning we took a trip to Escanaba to the Island Casino. I guess you can't get far enough away without running into someone you know. I saw Bob Brandt, who was there on an overnight trip as well. I didn't gamble much. I spent my time in the hot tub and pool.

Have a great month and stay safe!

Scott D. Cordy ☺

### OLD BUSINESS

No old business

### NEW BUSINESS

The AMA is seeing a loss of membership and is looking for ways to interest younger members to join. They are giving free memberships to those less than 18 years of age. Club membership for this age group is \$ 12.

It was noted that the attendance and vendor participation at the Toledo Model show was down significantly from last year. It is estimated that there were 30 fewer vendors than previous years.

Meeting adjourned at 7:25 pm.

Respectfully submitted,

*Michael Gigl*  
Secretary
