We have just had Randy's Aerobatic Clash. It was a great time. I think the eight of us who participated in it did a good job and learned a lot. Thanks to Al and Eric for doing the judging and Joe for doing the cooking.

By now everybody has heard we lost Marv Zwick. He was a long-time Calumet flyer and will be missed by all. Kelly's mother passed away as well. Our condolences go out to him and his family. As of yesterday, John Bittner is still in the ICU unit at Theda Clark in Neenah. It has been a very tough two weeks.

I hope everyone has a chance to attend Eric's Fun-Fly on the 27th. Lee Haven has contacted us about doing a few fly-overs during the event. That is always great to see, so hopefully Eric can work those details out.

For the interim, in order to pay the bills, we have gotten Al's name on the account at the bank so he is able to write checks for us until John is back on his feet.

Jim and Cindy will be getting the everyday food supplies for the clubhouse. They aren't out there everyday, so if something is gone or running low, just leave them a note in case they don't notice, and they will take care of it until John is back. They will also be buying the food for Eric's event.

Thank you everyone for your help!!

Keep your wings level,

Scott D. Cordy ☺

Another sad day for our club members. John Bittner passed away August 26, 2016. He was a great friend and his pilot skills were something we'll all remember. I'm sure all of us have very fond memories of him. Rest in peace John. ☹

Meeting Notes

Minutes from the August 8, 2016 Meeting.

Meeting was called to order at 7:00. 11 members were in attendance.

Minutes from the July meeting were read and approved.

The treasurer's report for July was given and approved. July expenses were utilities, Outer Limits Youth Outreach Center donation, and field maintenance expenses. August bills are utilities, field maintenance expenses, septic, newsletter expenses, and lawn mower repairs. Motion passed to pay the bills.

OLD BUSINESS

There are 66 members in the club as of this meeting.

NEW BUSINESS

The Calumet Aerobatic Clash will be held on the 14th of August. Orientation will begin at 10:00 and flying will begin around 10:30. At least 3 rounds will be held. Details on the specific maneuvers can be found at the field and at www.mini-iac.com.

The mower needed its first major repair since it was purchased. It's a lot cheaper to repair than getting a new mower.

Some discussions were held on the repairs to the clubhouse windows and door. More discussion and planning are expected as needed at future meetings.

Meeting adjourned at 7:19 pm.

Respectfully submitted,

Michael Gigl
Secretary
