Hello everyone,

The Calumet flyers Fathers day Fun-Fly is coming up soon and I hope you can all make it. The field is in excellent shape and Leon has done a great job of mowing the grass. It was very long from all the spring snow and rain.

I hope we have some nice weather for our events this year. The last couple of years have either been rained out or very windy.

There is a new event for this year, an I-Mac challenge on July 21 and 22nd put on by Randy Brunette. It should be a fun day with lots of flying. If interested, see Randy for details.

We have had some record temps this year already and I hope that is not the way the whole year is going to be, I prefer the mid 70's not the 90's or worse.

Happy flying,

Mike Gauerke ☺
