- Secretary: Mike Gigl 337-4824
- Treasurer: Joe Collar 585-5519
- Multimedia: Eric Schultz 901-6837

Presidents Corner

Hello everyone,

This will be my last newsletter as Joe Collar will be taking over as President. John Prete has decided to take on the food portion but The club is still looking for someone to take over as the treasurer. If you are interested please let someone know or come to the next meeting. It has been brought to my attention that the plane hold downs were in need of replacement and have been removed from the field for liability reasons. The club will have to look into either making new ones or some other type of restraint. If you have any ideas please share them at the next meeting. Thanks and Merry Christmas and a happy new year to all.

Mike Gauerke

Meeting Notes

CALUMET FLYERS

Minutes from the November 11, 2019 Meeting.

Meeting was called to order at 7:00. 11 members were in attendance.

Minutes from the October meeting were read and approved.

The treasurer's report for October was given and approved. October expenses were utilities, and field expenses. November bill is utilities. Motion passed to pay the bill.

OLD BUSINESS

Attendance at the swap meet was down from last year. There were tables available throughout the event.

NEW BUSINESS

Motion passed to compensate Leon for his efforts on the field lawn maintenance.

A review of the auction/swap meet was conducted. Our revenues were down significantly from previous years. Since the hall rental at the Holiday Inn is increasing next year, it is a good time to look at other venues. We are looking for a hall with at least 70 tables. If you have any suggestions, please contact Eric Schultz.

The following people were nominated and have accepted the positions as noted:

Secretary	Mike Gigl
Treasurer	Open
Vice President	Scott Cordy
President	Joe Collar

John Prete has volunteered to handle the food service for next year.

If you are interested in being the treasurer, please contact one of the club officers.

Meeting adjourned at 7:40 pm.

Respectfully submitted,

Michael Gigl
Secretary

Here is a link to Horizon Flight School program. If you have time to train new pilots, this may be for you. It is designed to bring new pilots to our club.

Club Banquet Details:

The Annual Calumet Flyers Banquet will be held at Van Ables in Hollandtown February 11th, for members and their guest. Social Hour starts at 1:00 and dinner will start at 3:00. Individuals are responsible for their dinner tab, but the club will pay the tip. Door prizes will be awarded. This is a great way to show your appreciation to whoever puts up with your flying problem all year! Please R.S.V.P. to Don Eichsteadt via phone: 739-4728 or email: donike@att.net so he can get a headcount.

Airplane Holding Brackets

I fabricated these bracket in 2002, they have been thru 17 years of hard use due to the hard ground they were driven into. I've come to the point I can no longer trust their structural integrity. They will be gathered up and dis-guarded. The brackets were well used and served their purpose. If members prefer this design for the 2020 season they can stop at a Weld Shop and have one made from round stock.
