Presidents Corner

Mid September already! The summer flew by pretty quick ! Most of my vacations weren't very flying friendly, but I still managed 11 flights on extra, 6 on the cap, 18 on Excalibur no2, 36 on Excalibur no1, 8 on the Avanti, and 13 on the electric Avanti. More flying than I did in a few years combined!! My new Avanti is at Als house where he is pulling out a few more hairs learning and sharing his finds about Futaba S- bus. I had been flying it with a borrowed radio and now have bought a 14 SG Futaba for it and it has been a bit of a challenge for him programming it.

Hopefully everyone had a great season and has a winter project all thought out. Mine will be to again have a warbird to fly with Mikey and Jeff Fintelmann. I have a never flown Italian Macchi to put a engine on and hook up a radio to. Came with a G62 that I don't trust and wasn't on the plane when I received it, and I'm thinking about a DL100 I had in a suquoi at 1 time. Should keep up with those guys !!

A lot of the swaps are getting cancelled but so far Wausau looks like a go.

Pick a couple nice days and get some fall flying in!!!

Almost election time ,so time to think about running for a office and support your club!!

Acting President,
Scott Cordv.
