I'm Not The President Corner

Not much new to report this month. If you haven't renewed your FAA registration, you probably should. There are more changes coming to this hobby as our wonderful government continues to get involved. Looks like they won't be enforced until 2023.

We are still looking for a President (for the club) so if interested, please come to the meeting.

In other sad news, we lost another member. The good news is, he didn't die. Long time member Randy Brunette has moved to California. His laugh will be missed. Just remember Randy, if you start to miss shoveling and the freezing cold, we will gladly take you back!

Meeting Notes

CALUMET FLYERS

Minutes from the December 14, 2020 Meeting.

Meeting was called to order at 7:00. 10 members were in attendance.

Minutes from the November meeting were read and approved.

The treasurer's report for November was given and approved. December bills are utilities, property taxes, and field expenses. Motion passed to pay the bills.

OLD BUSINESS

The float fly proposal with VAM has not been presented to their club awaiting an in-person meeting.

NEW BUSINESS

The estate of Marv Zwick has donated the proceeds from the sale of another airplane.

Motion passed to compensate Leon for his efforts on the field lawn maintenance.

The lock on the field gate is usually frozen this time of year. Use windshield washer fluid to free up the lock. Beating on it will only cause us to have to purchase a new lock.

Eric Schultz has informed us that he will no longer be able to take care of the swap meet and the events that he has been running. We will be looking for volunteers to assist with these in the future.

The banquet for 2021 has been cancelled.

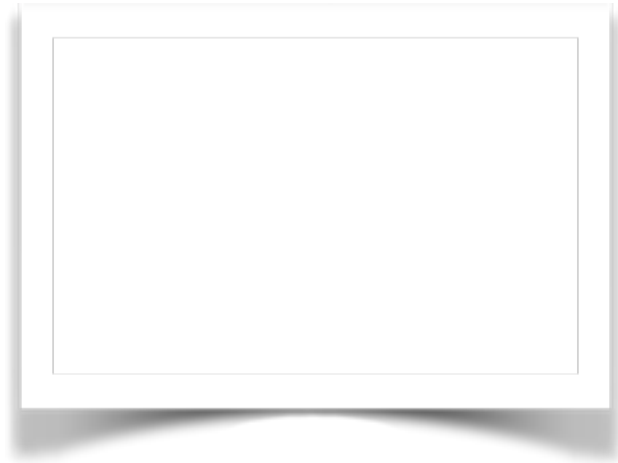

The indoor flying for this season has been cancelled because the building is not available for events.

Jon McKenzie has accepted the position of Vice-president for next year. We are still in need of a President.

Meeting adjourned at 7:35 pm.

Respectfully submitted,

Michael Gigl
Secretary
